

Recovery Premium Funding 2022-2023

The recovery premium grant is part of the government's package of funding to support pupils whose education has been impacted by coronavirus (COVID-19). It is a time-limited grant providing over £300m of additional funding for state-funded schools in the 2021 to 2022 academic year and £1bn across the 2022 to 2023 and 2023 to 2024 academic years.

It is focused on pupil premium eligible pupils. This is because of the additional impact of the pandemic on disadvantaged pupils. However, schools can use it to deliver evidence-based approaches for supporting any pupil based on an assessment of individual need. Funding Allocation Recovery premium allocations for mainstream schools will be based on pupil premium eligibility.

This includes:

- pupils who are eligible for free school meals (FSM), including eligible children of families who have no recourse to public funds (NRPF)
- pupils who have been eligible for FSM at any point in the last 6 years
- children looked after by local authorities, referred to as looked-after children (LAC), and children previously looked after by local authorities, referred to as previously looked-after children (PLAC)

£145 for each eligible pupil in mainstream education

Total no. on roll	187 (YR-6)
No. of eligible pupils	41
Total Funding	£6000

General principles informing how we will spend the Recovery Premium

The Education Endowment Foundation advises that schools should spend the Premium in the following ways:

- 1) Teaching and whole class strategies (e.g. quality first teaching for all pupils)
- 2) Targeted approaches (e.g. intervention)
- 3) Wider strategies (e.g. attendance / social and emotional need)

Deployment:

Use of funding	187 (YR-6)

Evaluation of Recovery Premium 2021 – 2022

The recovery premium provided additional funding for state-funded schools in the 2021 to 2022 academic year. Building on the pupil premium, this funding aided the delivery of an evidence-based approach in supporting disadvantaged pupils. Schools were able to spend the funding in the most effective way for pupils in the local context.
